An International Journal of Caribbean Natural Science

Volume 46, Number 2/3, 2010
Mailed March 2012

CARIBBEAN JOURNAL OF SCIENCE

Vol. 46

(ISSN 0008-6452)

No. 2/3, 2010

Articles:

- Pleistocene decapod crustaceans of eastern Jamaica Collins, J. S. H. and S. K. Donovan 133
- The origins of the recently discovered Hispaniolan Olive-throated Parakeet: A phylogeographic perspective on a conservation conundrum Latta, S. C., A. K. Townsend and I. J. Lovette 143
- Is congener abundance related to vocal adjustments that minimize acoustic interference? Luther, D., M. A. Acevedo, M. I. Herrera Montes, A. R. Estrada and T. M. Aide 150
- Density compensation suggests interspecific competition is weak among terrestrial snails in tabonuco forest of Puerto Rico Bloch, C. P. and M. R. Willig 159
- Using digital photography and image analysis software to estimate the emergence of bats at Tou Santi Cave, Dominica, West Indies Corso, A. E., J. B. Woolley and T. E. Lacher Jr. 169
- Modeling Caribbean tree heights and crown widths Brandeis, T. J. and K. C. Randolph 176
- Impact of Coffee Management Practices on Earthworm Populations in Puerto Rico Amador, J. A., C. V. Ramos, M. Alfaro and D. Sotomayor-Ramirez 186
- Terrestrial Tardigrada of the Island of Barbados in the West Indies, with the Description of *Milnesium barbadosense* sp. n. (Eutardigrada: Apochela: Milnesiidae) Meyer, H. A. and J. G. Hinton 194
- Structural variability and species diversity of a dwarf Caribbean dry forest Medina, E., E. Cuevas, S. Molina, A. E. Lugo and O. Ramos 203
- Risk factors affecting escape behavior by the Jamaican lizard *Anolis lineatopus* (Polychrotidae, Squamata) Cooper Jr., W. E. 216
- The sea turtle barnacle, *Chelonibia testudinaria* (Cirripedia: Balanomorpha: Coronuloidea), from pre-Columbian deposits on San Salvador, Bahamas Blick, J. P., J. D. Zardus and D. Dvoracek 228
- Damage and recovery of forest structure and composition after two subsequent hurricanes in the Yucatan Peninsula Bonilla-Moheno, M. 240
- Reproductive assurance for a rewardless epiphytic orchid in Puerto Rico: *Pleurothallis ruscifolia* (Orchidaceae, Pleurothallidinae) CaraDonna, P. J. and J. D. Ackerman 249
- Changes in landuse/landcover affect distribution and habitat of the land crab, *Cardisoma guanhumi* (Gecarcinidae, Decapoda) in two estuaries in Puerto Rico Govender, Y. and J. R. Thomlinson 258
- Mapping marine benthic habitats in Martinique (French West Indies) Legrand, H., P. Lenfant, I. S. Sothoran, R. L. Foster-Smith, R. Galzin and J-P. Maréchal 267
- Response of populations of nitrifying and denitrifying bacteria to soil disturbance in different life zones of Puerto Rico Marcos, P. and G. A. Toranzos 283
- Late Holocene Fauna from a Cave Deposit in Western Cuba: post-Columbian occurrence of the Vampire Bat *Desmodus rotundus* (Phyllostomidae: Desmodontinae) Orihuela, J. 297
- Notes on the marine algae of the International Biosphere Reserve *Seaflower*, Caribbean Colombia II: diversity of drift algae in San Andres island, Caribbean Colombia Ortiz, J. F. and B. Gavio 313
- Discovery of *Xylosma buxifolia* A. Gray (Flacourtiaceae) in Everglades National Park, Florida, USA Sadle, J. 322
- Two potential host plants and notes on the habitat of the Haitian tailed blue, *Pseudochrysops bornoi* (Comstock and Huntington 1943) (Lycaenidae, Lepidoptera) in Guánica, Puerto Rico, USA Homziak, J. and N. T. Homziak 324

Notes:

- Heliconia*-hummingbird interactions in the Lesser Antilles: a geographic mosaic? Dalsgaard, B., A. Timmermann, A. M. Martín González, J. M. Olesen, J. Ollerton and L. H. Andersen 328
- Scalation of the American Crocodile, *Crocodylus acutus* (Crocodylidae, Crocodylia), from the Coastal Zone of Northern Belize Platt, S. G., J. B. Thorbjarnarson and T. R. Rainwater 332
- New records of the Townsend angelfish (*Holocanthus bermudensis* X *H. ciliaris* hybrid) and range extension of the Blue angelfish (*H. bermudensis*) in the Caribbean Sea Reyes-Bonilla, H., L. Alvarez-Filip and I. Sánchez-Alcántara 339
- Diet of the invasive Cuban Treefrog (*Osteopilus septentrionalis*) in pine rockland and mangrove habitats in South Florida Glorioso, B. M., J. H. Waddle, M. E. Crockett, K. G. Rice and H. F. Percival 346

Book Reviews:

- BirdLife International* (2008). *Important Bird Areas in the Caribbean: Key Sites for Conservation*. Wege, D. and V. Anadón-Irizarry Delannoy, C. 356
- Guía de los Pastos Marinos Tropicales del Atlántico Oeste / A guide to the Tropical Seagrasses of the Western Atlantic*. van Tussenbroek, B. I., M. G. Barba Santos, J. G. Ricardo Wong, J. K. van Dijk and M. Waycott. Illustrations by E. Esparza. 2010 Ballantine, D. L. 357
